GENERAL SECRETARIAT
20 MAY 1936

SIR,

Subject:-

With reference to note 2 under para III of notification No. P.3317/Legis.46-35-6 dated 18/11/1935 exempting certain vehicles from payment of tolls at the toll gates, I have the honour to state that under note 1 of para III of the said notification bonafide agricultural bullock carts except those carrying timber for commercial purposes are exempted from the levy of tolls. But the word timber referred to has been defined to include only logs or sawn timber and not bamboos fuel and cane under note 2.

It is therefore not clear whether carts conveying fuel for sale, (e.g., in City limits) are to pay the toll or not. As firewood carts, passing through Toll Gates, for sale damage the roads as much as carts carrying stone and timber, it seems to me that toll has to be levied on such carts also.

I request that clear instructions in the matter may kindly be issued immediately as the sales of the right of collecting tolls in this District will come off on the 28th instant.

I have the honour to be,
Sir,
Your most obedient servant,

(t) Ramaswami
DEPUTY COMMISSIONER,
BANGALORE DISTRICT.
